

SIGHCI Annual Business Meeting at Pre-ICIS HCI Workshop 2010

Chaired by: Dezhi Wu, SIGHCI Chair

Meeting minutes taken by: Richard Johnson

December 11, 2010, Sunday, at 6:00 p.m.-7:30 p.m., in Hyatt, St. Louis, Missouri, USA

1. The attendees reviewed two prototypes for the new SIGHCI website. These were developed by students at:
 - a. Michigan State University
 - b. Cal State Fullerton
2. After reviewing the two prototypes, those present voted on which website they felt was best and the Michigan State version was overwhelmingly voted to be the best website.
3. A brief discussion occurred focusing on suggestions for improving the website. Suggestions included:
 - a. Add the SIG Logo to the website.
 - b. Add the ability for members to add content to the website by themselves (with final approval by SIG officers). The goal is to get more active involvement by SIG Members.
 - c. Incorporate bread crumbs
4. New and returning SIG Officers were introduced.
5. Dezhi asked us to share information on teaching and research resources which we can share on the website. Please contact the SIG officers.
6. Hong Sheng thanked all those who got their department or school to sponsor the HCI Workshop this year. She requests that all SIG members inquire with our faculty about getting sponsorship from our universities.
7. Membership was discussed.
 - a. Soussan encouraged faculty to encourage their graduate students to join the SIG.
 - b. There was a brief discussion about ideas for increasing membership in the SIG, but there was concern that we don't really have accurate information on our current members and those who are current on dues. No action items arose from this discussion
8. The meeting concluded with a discussion of ideas for how to organize the sessions for next year. Members are encouraged to email Dianne Cyr, the 2011 Pre-ICIS Workshop co-chair, with their ideas.

Meeting ended: 7:30 p.m.
