Dr. Gabe Lee

New Chair's Remarks – Dr. Gabe Lee

Dear SIGHCI members,

It is with great honor and pleasure to begin my term as the chair of AIS SIGHCI. Having been involved with various SIGHCI events and activities for many years, I have had opportunities to work with our advisory board, our officers, and our members and observed their time and dedication to make us one of the best AIS SIGs! This dedication enables us to maintain strong membership and financial stability as well as enhance our visibility and impact to the IS and other fields. We are now present in all major IS/HCI conferences such as ICIS, AMCIS, ECIS, PACIS, HICSS, HCIB, and Pre-ICIS HCI/MIS Workshop. AIS Transactions on Human Computer Interaction (TCHI) has received greater recognition as a premier journal to share intellectual interests in HCI phenomena and issues. I would like to express my gratitude to all of those who served the SIGHCI events and activities. I also want to extend my sincere appreciation to Zhenhui Jack Jiang and Miguel I. Aguirre-Urreta, the outgoing and past chairs, for their outstanding leadership to the SIG.

During my term, I plan to work closely with Greg Moody who is the Chair-Elect and other officers to support the SIG's current activities. In addition, in order to better promote discussion and advancement of issues related to the human-computer interaction, we will put extra effort into the following three key activities: *produce and disseminate top-notch HCI research, update the SIGHCI website, and expand our membership base.* We will continue to furnish an environment that fosters high-quality scholarship and facilitates HCI research to be published in premier IS and HCI journals. We will work with the SIGHCI web master to upgrade the website to improve its usability and visual aesthetics and update its content with the latest HCI knowledge, news, jobs, and events. Finally, we will find ways to increase our membership by actively promoting our SIG activities using existing and new communication channels including social media.

If you have any questions, suggestions or comments regarding current or future SIGHCI events or activities, please contact me (gabelee@miamioh.edu) or any of our officers. If you are not a member of SIGHCI, please join this dynamic and welcoming group. If you are already a member, please renew your membership. You can easily do this by visiting the AIS membership webpage (<https://aisnet.org/?MembershipBenefits>). Thank you for your continued support and I look forward to meeting you at future SIGHCI events.

Best Wishes,
Gabe Lee

AIS SIGHCI One-Year Report: 7/2016 - 6/2017

Zhenhui Jack Jiang, SIGHCI Chair (2016-2017)

with the assistance of SIGHCI advisors and officers

July 1, 2017

<http://www.sighci.org/>

SIGHCI is the Special Interest Group on Human-Computer Interaction affiliated with the Association for Information Systems (AIS). The SIG was approved by the AIS council in Spring 2001 and was one of the first six SIGs announced on ISWorld in July 2001. Since then, SIGHCI has become one of the largest and most active AIS SIGs.

1. MISSION & TOPICS

SIGHCI provides a forum for AIS members to discuss, develop, and promote a range of issues related to the history, reference disciplines, theories, practice, methodologies and techniques, new developments, and applications of the interaction between humans, information, technologies, and tasks, especially in the business, managerial, organizational, social, and cultural contexts. SIGHCI's mission is twofold:

- To facilitate the exchange, development, communication, and dissemination of information among AIS members;
- To promote research related to human-computer interaction within business, managerial, and organizational contexts among AIS members and to the larger community of practitioners and scholars.

To fulfill our mission, SIGHCI is involved in several conferences, workshops, and other endeavors. Activities and accomplishments of the SIG in the 2016-2017 year are included in Section 3 of this report.

2. OFFICERS, GOVERNANCE, AND BYLAWS

The Advisory Board members and officers serving from July 2016 to June 2017 were as follows:

3. ACTIVITIES & ACCOMPLISHMENTS

3.1. AIS Outstanding SIG Award

Due to the high level of interest and support from enthusiastic SIG members and the hard work of the organizing team, SIGHCI continues to be one of the largest and most active AIS SIGs. SIGHCI is among the 30 AIS Communities to earn the designation of Outstanding SIG, Chapter, or College for 2016. The communities receiving the Outstanding SIG, Chapter, or College recognition excelled in operations, member communications, educational and/or professional development events, and research publications.

3.2. Identity and Community Building

In keeping with its mission, SIGHCI continues to advance the goal of building a community of scholars who share common interests and who appreciate and help develop each other’s work. Our membership roster has 320+ members as of July 1, 2017. The

SIG membership renewals with general conference registrations and AIS membership renewals. This integration should result in a greater number of current (paid) members.

3.3. Communications and Outreach

In the past year, we have continued to promote awareness of SIGHCI, to extend the identity and reputation of SIGHCI, and to promote dialogs with the MIS community and other related external parties. These activities are carried out using four levels of communication (see prior years’ reports for details): SIG-wide communication, promotion of HCI in the MIS community, dialog with other HCI associations, and connections with industry. In an effort to further support our members and the HCI community, all SIGHCI workshop papers from 2003 are made available through the AIS e-Library at <http://aisel.aisnet.org/sighci/>.

In addition, the SIGHCI listserv was created as a broadcast medium for MIS and HCI researchers, doctoral students, and practitioners in 2001. It is open to both SIGHCI members and non-members. As of July 1, 2017, it has over 500 subscribers from across the world. An AIS SIGHCI group was created on LinkedIn in 2008. It has attracted 725 members as of July 1, 2017. Since 2014, the HCI in Business (HCIB) International Conference affiliated with HCI International (HCII) Conference has joined a number of social media for researchers and practitioners to connect on Facebook, Twitter, and Google+.

3.4. SIGHCI Sponsored Conferences/Meetings

SIGHCI has sponsored and organized the annual Pre-ICIS Workshop on HCI Research in MIS since 2002. SIGHCI also participates in the following conferences: HCI track at AMCIS since 2002, HCI track at ECIS (European Conference on Information Systems) in 2006-2007, 2011-2014, and 2016, paper sessions at HCII (HCI International Conference) in 2005-2013, International Conference on HCI in Business (HCIB) affiliated with HCII since 2014, HCI mini-track at HICSS beginning in 2007, HCI track at ICIS since 2004, and HCI track at PACIS since 2005.

AIS SIGHCI One-Year Report: 7/2016 - 6/2017

3.7. SIGHCI Annual Election

In 2017, we announced that Greg Moody was elected for the Chair-Elect / Chair / Past-Chair rotation. Greg will start serving as Chair-Elect on July 1, 2017. At that time, Gabe Lee will become Chair and Jack Jiang will become Past-Chair. Anna McNab was re-elected as Secretary/Treasurer. Many thanks to Aretha Wright of AIS for handling this. Also, our thanks to the nominating committee (Na Li, Jack Jiang, Gabe Lee and Rich Johnson) and all those who voted in the election.

4. SERVICES TO MEMBERS & COMMUNITIES

SIGHCI provides a range of services to its members (visit the SIGHCI website, <http://www.sighci.org/>, for more information about these services). The website has information about every aspect of SIGHCI, including the mission, bylaws, membership, listserv, conferences, newsletters, photo gallery, HCI related journals, research resources, teaching resources, and SIGHCI officers and contacts. In order to provide greater access to research materials to our members and the SIGHCI community, all SIGHCI workshop papers from 2003 onwards were made available through the AIS e-Library at <http://aisel.aisnet.org/sighci>.

5. FINANCIAL MATTERS

Our SIGHCI accounting records, which are maintained by AIS, show that as of September, 2016 our SIG has earned a surplus of \$52,018.44. The revenue and expenses for the past fiscal year are listed in Table 1. We worked hard on increasing the surplus by controlling costs, e.g. we reduced printing costs by providing more online content. We also took major steps to attract more organizations to support our SIG.

6. LOOKING FORWARD

Since its inception in 2001, our SIG has made significant progress through the support of its advisors, officers, sponsors, and members. The cooperation and assistance of the AIS office, as well as the support of journal editors in encouraging HCI research in MIS, has been instrumental in SIGHCI's growth. On a personal note, it has been a great experience to work side by side with such a nice and involved group of colleagues, and look forward to much future collaboration. I am happy to welcome Gabe Lee as Chair. I have every confidence that they will continue to grow and evolve the SIG into new and exciting directions.

Review: Annual Pre-ICIS Workshop on HCI Research at MIS

Pre-ICIS Workshop on HCI Research in MIS At the International Conference on Information Systems (ICIS) 2016

Dublin, Ireland. Sunday December 11, 2016 | 7:00 am - 6:00 pm

Workshop Co-chairs

Zhenhui (Jack) Jiang, National University of Singapore (jiang@comp.nus.edu.sg)
Miguel Aguirre-Urreta, Texas Tech University (miguel.aguirre-urreta@ttu.edu)

Program Co-chairs:

Monideepa Tarafdar, Lancaster University (m.tarafdar@lancaster.ac.uk)
Jeff Jenkins, Brigham Young University (jeffrey_jenkins@byu.edu)

The Pre-ICIS Workshop on HCI research (SIGHCI) 2016 attracted high-quality submissions. There were submissions across different areas of interface design, perceptions, measuring user interactions, decision making and many other diverse topics. 19 papers were accepted. (10 full papers and 9 poster presentations).

HCI International 2018

20th International Conference on Human-Computer Interaction

HCI International 2018, jointly with the Affiliated Conferences, held under one management and one registration, invites you to participate and contribute to the international forum for the dissemination and exchange of up-to-date scientific information on theoretical, generic and applied areas of HCI, through the following modes of communication: Plenary / Keynote Presentation, Parallel Sessions, Poster Sessions, Tutorials and Exhibition.

Past HCI International Conferences were attended by more than 2.000 participants from more than 70 countries around the world.

Awards

The best paper of each of the HCI 2018 Thematic Areas / Affiliated Conferences will be given an award. The best poster extended abstract will also receive an award.

Proceedings

The Conference Proceedings will be published by Springer in a multi-volume set. Papers will appear in volumes of the Lecture Notes in Computer Science (LNCS) and Lecture Notes in Artificial Intelligence (LNAI) series. Extended Poster abstracts will be published in the Communications in Computer and Information Science (CCIS) series. All volumes will be available on-line through the SpringerLink Digital Library, readily accessible by all subscribing libraries around the world, and will be indexed by a number of services, including ISI CPC, EI Engineering Index, ACM Digital Library, Google Scholar, etc.

Exhibiting at the Conference

The HCI International Conference is an ideal opportunity to exhibit your products and services to an international audience of about 2000 academics, researchers, professionals and users in the field of HCI, from more than 70 countries around the world, potential purchasers of your products.

Registration Regulation

In order to provide a greater opportunity for more people to present at the conference, multiple submissions by single authors cannot be accepted. Co-authors may appear on multiple papers, but each accepted paper, or poster, with multiple co-authors should have a different conference registrant. For **paper presentation** at the Conference and inclusion of the full paper in the Proceedings, at least one registration per paper is required by **9 February 2018**. For **poster presentation** at the Conference and inclusion of the Poster Extended Abstract in the Proceedings, at least one registration per poster is required by **16 March 2018**.

Call for Items: AIS SIGHCI Community and Content Manager

Community and Content Manager – AIS SIGHCI

As a Community and Content Manager, your responsibilities will be to manage communication on social platforms (at this time, only Facebook Pages and Twitter accounts, but potentially on YouTube and/or Pinterest in the near future) and keep our community actively engaged through quality content. We are looking for a team player that can take content projects from ideation to completion and deliver in-depth analysis based on performance. The ‘brands to be managed and promoted at this time through various social media accounts are:

- “Special Interest Group in Human-Computer Interaction”
 - Facebook Page: <https://www.facebook.com/aissighci>
 - Twitter: <https://twitter.com/aissighci>

Key Accountabilities:

- Manage the community presence and messaging across multiple platforms.
- Work closely with the Executive Board and VP Marketing of SIGHCI to build content designed to create passion and grow the community on and off the social platforms.
- Lead social media content development and management; Input into master calendar; Curate content.
- Get your ‘hands dirty’ writing content, taking photos at events, getting to know the communities on each platform, responding to ‘customers’ (i.e., fans, followers, etc. whether current/former/prospective members/attendees or affiliated parties).
- Manage the community listening and monitoring for impact and deliver comprehensive weekly and monthly reports.

Knowledge, Skills, and Abilities:

- Is savvy on social media marketing best practices.
- Must have deep knowledge of existing social media applications like Twitter, Instagram, Facebook, Pinterest, Vine, and Tumblr, plus have a pulse on what’s coming next.
- Excellent written, oral presentation, and diplomacy skills.
- Using good judgment and data, encourages maximum engagement with the community.
- Strong sense of professionalism & judgment in response to issues in the public social media space. An even temperament that allows for clear thinking and communication in times when swift action (or the diffusing of potential issues) is imperative.
- A creative eye, and photography skills are definitely a plus.

Qualifications:

- Desired experience in a social media or digital marketing related role.
- Must have strong written and verbal communication skills.
- Must be able to handle multiple campaigns simultaneously and have excellent personal organization skills and high attention to detail.

Additional qualifications to be considered:

- Knowledge of social media management tools is a plus.
- Advanced technical skills including Adobe Creative Suite are always helpful.
- Photography skills are preferred.

While the intrinsic rewards of supporting the SIGHCI offer a sufficient incentive, a compensation of \$10+/hour and commensurate with experience is provided. It is envisioned that this role will be taken up by a graduate student and that this compensation will help defray SIGHCI conference/workshop participation costs. If interested, please email your CV to Dr. Constantinous Coursaris (coursari@msu.edu) and highlight any relevant experience in the body of your email, by August 15.

Call for Items: AIS SIGHCI Newsletter Volume 16, Issue 2

You are invited to offer items to the coming issue of AIS SIGHCI newsletter (Volume 16, Issue 2), to be published in November 2017. All items will be editorial reviewed. If you are interested, please send your pieces to the newsletter editors Upasna Bhandari (upasna.bhandari@u.nus.edu) and Mina Shojaei Zadeh (minashojaei@wpi.edu) by October 15, 2017. Possible topics include, but are not limited to, the following:

1. Short essay/opinion/research study (800 – 1700 words)
2. HCI book review (800 – 1700 words). Please feel free to contact the editor beforehand if you intend to review a book or if you wish your own book to be reviewed.
3. Teaching HCI (up to 1700 words): teaching ideas or cases, sample syllabus, etc.
4. Industry voice (800 – 1700 words). We welcome HCI related essays from industry professionals.
5. Brief introduction of HCI research tools (up to 300 words).
6. Brief introduction of interesting HCI journals and/or special issues, including citation information, brief description, table of content (for special issues), etc.
7. CFP for HCI related journals or conferences.
8. News about SIGHCI members (up to 300 words for each item): honors and awards, professional activities, new appointments, interesting projects, new books or publications, etc.
9. Any other announcements (up to 300 words for each item).

To view previous newsletter issues, please visit <http://sighci.org/index.php?page=newsletters>
