AIS SIGHCI

INVITATION TO SPONSOR

2020 - 2021
The Association for Information Systems (AIS) serves society through the advancement of knowledge and the promotion of excellence in the practice and study of information systems. AIS is the premier professional association for individuals and organizations who lead the research, teaching, practice, and study of information systems worldwide.
AIS SIGHCI is the Special Interest Group on Human-Computer Interaction that is affiliated with the Association for Information Systems (AIS). Founded in July 2001, SIGHCI was one of the first six officially sanctioned SIGs by the AIS.

ABOUT SIGHCI

SIGHCI'S MISSION

- To facilitate the exchange, development, communication, and dissemination of information among AIS members.

- To promote research related to human-computer interaction within business, managerial, and organizational contexts among AIS members and to the larger community of practitioners and scholars.
Building on past pre-ICIS HCI Research in MIS workshops as well as the tremendous interest in broad HCI issues exhibited by MIS colleagues, the AIS SIGHCI will hold its 19th annual pre-ICIS HCI research workshop prior to ICIS 2020 on Sunday, December 12, 2020. The workshop will be held synchronously online via the Remo platform.
BENEFITS OF SPONSORING

SIGHCI-sponsored conference workshops, tracks, and activities are very successful. SIGHCI has an active membership in excess of 300 HCI researchers and practitioners, a social media reach in excess of 1,000 followers, and an extended email distribution network in excess of 4,000 subscribers.

SPONSORING SIGHCI WOULD BE A GREAT OPPORTUNITY TO:

1. Reach a targeted group of professionals within the field of Human-Computer Interaction both during the conference and digitally in the months after the workshop and ICIS conference

2. To recruit HCI and User Experience talent for varied professional levels

3. Complimentary workshop registrations and options to share with colleagues and/or students

4. Be up to date with current research in the field of HCI

5. Publicly support cutting edge and impactful research
*The Annual Workshop on HCI Research in MIS is organized by the Association for Information Systems (AIS) Special Interest Group on Human-Computer Interaction (SIGHCI).

**The sponsorship option at the ICIS conference is for the sessions during the HCI track only.
