

AIS SIGHCI

**INVITATION
TO SPONSOR**

2021 - 2022

ABOUT AIS

The Association for Information Systems (AIS) serves society through the advancement of knowledge and the promotion of excellence in the practice and study of information systems. AIS is the premier professional association for individuals and organizations who lead the research, teaching, practice, and study of information systems worldwide.

ABOUT SIGHCI

AIS SIGHCI is the Special Interest Group on Human-Computer Interaction (HCI) that is affiliated with the Association for Information Systems (AIS). Founded in July 2001, SIGHCI was one of the first six officially sanctioned SIGs by the AIS.

SIGHCI'S MISSION

- ✔ To facilitate the exchange, development, communication, and dissemination of information among AIS members.
- ✔ To promote research related to human-computer interaction within business, managerial, and organizational contexts among AIS members and to the larger community of practitioners and scholars.

THE **20**TH ANNUAL PRE-ICIS WORKSHOP ON HCI RESEARCH IN MIS

The workshop provides Management of Information Systems (MIS)-focused HCI researchers the opportunity to come together and build a dynamic community for open and constructive discussion and exchange of ideas related to the HCI research field.

Building on past pre-ICIS HCI Research in MIS workshops as well as the tremendous interest in broad HCI issues exhibited by MIS colleagues, the AIS SIGHCI will hold its 20th annual pre-ICIS HCI research workshop prior to ICIS 2021 on Sunday, December 12, 2021. This year the workshop will be held in a hybrid format.

BENEFITS OF SPONSORING

SIGHCI-sponsored conference workshops, tracks, and activities are very successful. SIGHCI has an active membership in excess of **400 HCI researchers and practitioners**, a social media reach in excess of **1,000 followers**, and an extended email distribution network in excess of **4,000 subscribers**. In addition, more than **3,500 unique users** visit the SIGHCI website multiple times each year.

In total, sponsoring organizations may be mentioned in media posts that generate more than 100,000 impressions during the year.

SPONSORING SIGHCI WOULD BE A GREAT OPPORTUNITY TO:

1

Reach a targeted group of professionals within the field of Human-Computer Interaction both during the conference and digitally in the months leading up to and after the workshop and ICIS conference.

2

Recruit HCI and User Experience talent for varied professional roles and levels.

3

Receive complimentary workshop registrations and options to **share with colleagues and/or students**.

4

Be up to date with current research in the field of HCI.

5

Publicly support cutting edge and impactful research.
